COMMENTS FROM THE TOWN MANAGER'S OFFICE

Effective at the next annual town meeting the membership of the school committee will be increased from three to five. No person will be a candidate for a specific term, but the three members chosen shall designate by lot one member to serve two years and two members to serve three years.

As of Nov. 28th Excise Tax receipts for the current year are \$449,27 in excess of last year. Also on the same date property and poll tax collections are \$14,766 ahead of last year. This is a good trend and indicates that people are paying their taxes earlier. If the present trend continues the delinquent list should be considerably less than last year, but this is more or less wishful thinking.

A total of 67 notices have been sent to persons to determine if he or she were still a Bethel voter and that their name should be retained on the voting list. Of the 67 there have been 8 indicating that they should be on the voting list. In 7 cases it was found that they were already actually residing in Bethel or are currently serving in the armed forces from Bethel and should remain on the voting list. In the other case no decision has been made for lack of sufficient information.

A review of the Albany Township voters that vote in Bethel in general elections indicate that 25 out of the 70 that are registered no longer reside in the Township. A notice is being sent to each of the 25 so that they may state that their name should remain on the voting list. If no reply is received within 30 days from mailing the notice their name will be removed.

Sincerely,
Harold L. Bean

SERIES H SAVINGS BOND LIMIT INCREASED TO \$20,000

Halsey Smith, State Chairman of the Savings Bond Committee, and President of the Casco Bank and Trust Company, Portland, today hailed the Treasury's decision to raise the annual purchase limit on Series H Savings Bonds back to \$20,000, as recently announced.

The limit was lowered to \$10,000 four and a half years ago. No change is being made in the \$10,000 annual limit on Series E Bonds.

"Since the limit was lowered to \$10,000 in 1957," Mr. Smith said "the purchase of E and H Bonds has been opened to all types of investors except commercial banks. There has been a growing demand by smaller institutional investors for permission to buy larger amounts of H Bonds, and this was instrumental in the Treasury's decision."

Interest is payable on these bonds semi-annually by check, and amounts to an investment yield of 3 1/2% if held for the full 10-years until maturity.

Sales of these bonds in Maine for the first ten months of this year are up 20% over the same period last year.

BUTLER HEADS STATE HOTEL ASSOCIATION

Guy P. Butler of Bethel Inn was elected president of the Maine Hotel Association at the 40th annual meeting held Friday and Saturday at Bangor. Mr. Butler was secretary of the Association for 19 years until his resignation two years ago. Since 1955 he and Mrs. Butler have been owner-managers of Bethel Inn.

NEW SALES TAX TABLE AVAILABLE FROM REVENUE SERVICE

The availability of a printed table, Internal Revenue Service Document No. 5320, reflecting average state general sales tax payments by Maine residents was announced today by Whitney L. Wheeler, District Director of Internal Revenue at Augusta.

"Taxpayers who itemize the deductions instead of taking the standard deduction on Form 1040 may find the table helpful in determining the amount paid for sales taxes during 1961," he said.

Mr. Wheeler stated that the law requires taxpayers to substantiate any deduction claimed on their returns and, if requested, they must be prepared to do so. Ordinarily, however, they will not be asked to produce records to support the sales tax deduction claimed unless it exceeds the amount shown in the table. He pointed out, in this connection, that the tabulated average state general sales tax payments take into account taxes paid on large household items and automobiles as well as payment of compensating general use tax on out-of-state purchases of taxable commodities. Therefore, taxpayers, who wish to determine their total general sales tax payments by adding taxes paid on their major expenditures to taxes paid on their ordinary purchases, should not use the figure in the table as a measure of their sales tax payments on ordinary expenditures.

Copies of the new sales tax table are available in all local offices on advertised taxpayer assistance days, or, if you have questions on this subject, a telephone call on one of these days may save you a trip.

The Maine Highway Safety Committee reminds us that it is very important that we turn on our car headlights before we leave a brightly-lighted parking lot. Otherwise, we may fail to realize that our lights are not on until we enter the traffic stream—a mistake which could very easily prove to be fatal.

Don't be a "bumper-chaser." The State Police advise us, when we drive, to stay far enough behind the car in front of us to enable us to stop in an emergency without crashing into the leading car. Remember, the driver ahead may be called upon to make a sudden stop.

Bethel Area Advertising Planned

For the first time in history, the Bethel Area's winter attractions will be set forth in a series of eye-catching advertisements in the Greater Boston area during the next three months according to an announcement made this week by Howard W. Cole, Chairman of a special committee of the Bethel Chamber of Commerce recently appointed by Carroll E. Valentine, President of the local organization.

A fund of \$2,500.00 has already been raised through pledges made by Mt. Abram Ski Slopes, Sunday River Skiway, Bethel Inn, The Norseman Inn, Red Rooster Motel, Sudbury Inn, and the Thunderbird Motor Inn. This amount will finance a program of twelve weeks advertising in two Boston daily papers and eleven weekly papers in suburb.

ban cities and towns for what Mr. Cole called a "Bethel Blitz on Boston." The schedule will be extended, he stated, if additional funds can be made available through the contributions of other interested business concerns.

Each advertisement will occupy eight inches of newspaper space and will feature the two ski areas as major attractions of the winter season in the Bethel Area with special emphasis on the relatively short driving time from Boston. A new list of local accommodations has already been printed by the Chamber of Commerce as an aid in servicing inquiries received from prospective visitors.

The Bethel Area Development Corporation will assist the Chamber in the administration of the program.

20th ANNIVERSARY TODAY OF PEARL HARBOR RAID

Twenty years ago today, the morning of Sunday, Dec. 7, 1941, was the attack of the Japanese air forces at Pearl Harbor. One man from Bethel was killed, Ensign Stanley W. Allen who was serving on the U. S. S. Oklahoma.

Other local men stationed in the vicinity then include: Charles Chapin, Wheeler Field; Harold Young and Henry Robertson, Schofield Barracks; Christino Onofrio, Willard Thayer and Carl Tucker of Mechanic Falls, Gould Academy, '40, at Hickam Field.

Young Tien Pao is alone on his family's sam-pan when the boat breaks loose from its moorings and is caught by the rushing waters of the river. When the sam-pan lands, Tien Pao is in Japanese territory, during the occupation. This could be the story of any child in any war.

Tiny Tots:

"Little Toot," by Hardie Gramatky.

"The Story of Barbara," by Jean de Brunhoff.

MAGALLOWAY

Mrs. Bessie Harvey, Corres. All the sporting camps are closing and hunters gone for this year. Not as many deer were shot this past season. A lot more does than bucks were shot, too.

Mrs. Bertha West has moved to Mrs. Effie Kenney's home for the winter.

Stanley West is home from Fort Dix, N. J., on a furlough and then expects to go to Germany. He was at Fort Bragg, N. C., for some time besides being in Georgia.

Sgt. Rex Bennett of Charleston, S. C., with his wife and four children, came by plane to Boston and are in Errol staying with her parents, Mr. and Mrs. Leslie Hawkins. Rex is the youngest son of Mr. and Mrs. Clinton Bennett of Wilson's Mills. He with his family expect to go to Bermuda later in the month.

Mrs. Avis Elliott was appointed recently to fill a vacancy on the Magalloway school board.

The most of the high school students who are away at several different schools were home over the week end.

Miss Jean-Marie Griffin who attends Berlin High was ill last week with the "flu."

Debbie Turner, the 3-year-old daughter of Mr. and Mrs. Richard Turner, has been ill with the chicken pox and now her brother, Michael, is ill with it. Debbie had pneumonia and was in the St. Louis Hospital in Berlin a short time ago.

Your correspondent was misinformed about the dance held Nov. 24 at the Magalloway Hall being the last one of the year as another was held Dec. 2. It was not very well attended.

SACRE - BENSON

The Bethel Methodist Church was the scene of an attractive fall wedding Saturday afternoon, Nov. 26, when Sylvia Lorraine Benson of Bethel and Victor Sacre of Lewiston exchanged vows. The Reverend Richard Hamilton officiated at the double ring ceremony.

Escorted to the altar by her father, the bride wore a floor length gown of net lace over taffeta with three quarter length sleeves and a mock sash. Her neckline was decorated with seed pearls and sequins. Her elbow length veil of lace-hemmed illusion was caught to a crown of seed pearls and sequins. She carried a white prayer book adorned with red roses and white streamers.

Mr. and Mrs. Victor Sacre

The sister of the bride, Miss Sharon Benson, was maid of honor wearing a street length gown of coral nylon over taffeta and a matching hat. She carried a colonial bouquet of white carnations with pink accents.

John Luttrell of Lewiston served as best man and Don Noddin, Lewiston, and Bradley Benson, brother of the bride, ushered.

For her daughter's wedding Mrs. Benson chose a royal blue brocade sheath with bolero jacket and black accessories. Her corsage was bronze mums. Mrs. Sacre, the groom's mother, wore a rose sheath with black accessories and a corsage of white poms. The altar flowers were also white poms.

Miss Carol Flint of Bethel played traditional wedding music and accompanied Miss Mary Jo Head of Bethel, soloist, who

sang "O Perfect Love" and "The Lord's Prayer."

Immediately following the ceremony a reception was held at the Bethel Community Room. After the bride and groom cut the wedding cake it was served by the maid of honor and Miss Carolyn Sprague of Bethel. Frank Chapman of Bethel poured punch, and Mrs. Frank Chapman and Barbara and Evelyn Sprague assisted in serving.

Miss Beverly Blake of Bethel circulated the guest book and Mrs. Frank Benson Jr. of Augusta and Mrs. Bradley Benson of Bethel had charge of the gifts.

Mrs. Sacre is a graduate of Gould Academy, 1960, and of Bliss College, 1961. She is employed as a secretary at Lewiston Welding. The groom graduated from Edward Little High School in 1956 and is employed at Sacre's Economy Corner.

For her wedding trip the bride chose a wool suit of autumn browns and greens with brown accessories. Her corsage of red roses came from her bridal bouquet. Upon returning from an undisclosed destination the couple will reside at 112 Summer Street in Auburn.

SONGO POND

Mrs. Ralph Kimball, Cor. — Mr. and Mrs. Earlon Keniston visited one day last week with the Richard Andrews in Randolph, N. H.

Mr. and Mrs. Harold McCulloch (Gloria Childs) have returned from their wedding trip and are keeping house in Andover where he is employed.

Mr. and Mrs. Laurice Millett of Watford were supper guests Saturday night with the William Baneroff. They all spent Saturday evening with the Alfred Merrills, West Bethel.

The pond was completely frozen over for the first time this fall but the rain of Monday night covered the ice with water.

Early darkness adds to traffic danger. The tricky half-light of late afternoon is especially hazardous during these late fall and these early winter days. The State Police urge us to remember that reduced speed and extra caution are "musts" if we are to remain out of traffic trouble.

A refrigerator has been donated by the Carter family for use in the school milk program at Crescent Park School. The refrigerator is the third acquired by the school during the past year; previously refrigerators had been purchased and installed at East and West Bethel schools.

On Dec. 5 the Arithmetic Committee met at OPS. The committee, composed of teachers from union schools, heard a report of the recently held Portland Arithmetic Clinic. In addition, the committee made provision for the development of a program of speakers to be invited to appear here. It is anticipated that the speakers will be able to advise the committee on the latest developments in the field of elementary arithmetic.

Next meeting of the Bethel School Committee will be Monday, Dec. 11, 8 p. m., at OPS.

At the last Crescent Park School teachers meeting it was voted to spend the profits of the magazine campaign as follows: It was voted to buy two new sets of opaque curtains \$325, \$100 for School Library books, \$50 for Crescent Park School Christmas Party, \$100 for playground equipment. One group will practice on Tues. 4:30-6:30, and the other group on Friday 3:30-6:00. The program is intended to teach the fundamentals of basketball.

Next week permission slips for sodium fluoride treatment will be distributed in the schools. They should be signed by parents and returned by the 15th.

DECEMBER REQUIRES EXTRA DRIVING CARE

December is the month of greatest darkness, which calls for extra care in vehicle maintenance and operation, it was pointed out today by the State Police.

"Not only are hours from dusk to dawn longer at this time, but often even in daylight hours the blowing snow may become so bad that headlights should be turned on so your vehicle can be seen sooner by other drivers," the enforcement group cautioned.

"It is extremely important to have clear visibility through windshields," they added. "Wiper arms and blades and the defroster—all must work properly to clear away rain, snow road splash and interior fogging."

"Also, the rear lights on every vehicle should be functioning properly to meet legal requirements and to provide utmost safety in knowing that drivers following you are alerted to your presence on the roadway."

"A fundamental rule for after-dark driving is to limit speed to a rate which will enable you to stop within the assured clear distance ahead," concluded the police. "On ice or snow, you must go slower to take into account the lengthened stopping distance. Use reinforced tire chains when needed for severe ice and snow conditions."

Sometimes reassurance comes from unlikely quarters, such as having a builder of fallout shelters offer you five years to pay. —Changing Times.
